Emergency ex parte Motion to Stay

I file this motion in hopes of justice and remedy from the court. I currently have two cases before this court and wish to get a 180 day stay on both. I have sustained ~~repeatedly~~ irreparable and devastating outcomes stemming from abandonment of counsel and then blatantly refusing to return my files. I have not received the remainder of my files from Mr. Robert Thompson Jr and what I did get took a tremendous effort and time and expense. Currently I face the same issue with Mr Grady Roberts and have no files or documentation that is crucial to my cases in this court. I ask the court to reprimand these two officers of the court and aid in me getting my documents back. I have experienced this problem with many attorneys and it has had an impact on my life and my cases. Seems there is no remedy for their refusal and I pay the price dearly. I need time to get all my files, sort and organize them, and attempt to reobtain what is no longer there so I can properly defend my cases and prove my cases. The court moves at a more rapid rate than I am able to recoup it and pray the court understands this necessity.

I can be available at the courts convenience to
appear and answer any questions this motion causes.
Mr. Roberts was supposed to be representing me but hasn't done
so in this case.
